Orlando Sanford Announces Two New Nonstop Destinations in Alabama on Via Airlines: Mobile and Montgomery

Sanford, FL, February 21, 2018 – Orlando Sanford International Airport (SFB) and Via Airlines announce scheduled, nonstop service beginning May 14 to both Mobile Regional Airport (MOB) and Montgomery Regional Airport (MGM) in Alabama.

The new flights will operate on Sunday, Monday, Thursday and Friday using Embraer aircraft which not only provides passengers with safe, dependable and reliable air service, but as well the carriers signature level of exceptional service and satisfaction that it provides to its guests. Limited, introductory discounted fares are available by visiting www.FlyViaAir.com or by calling 800-565-5042.

“Mobile and Montgomery are amazing cities, and we’re excited about the opportunity to serve both business and leisure travelers with jet service from SFB as we bring the convenience of nonstop flights to these two markets as part of our 2018 expansion,” said Matthew Macri, Via Airlines Vice President of Operations. “Via Airlines takes pride in being the airline of the hospitality industry. Our jet service to Mobile and Montgomery will move travelers to and from Florida far faster and more economical than local airport prop services or traveling by car. When flying with us you are truly our guest, not just a passenger,” added Macri.

According to Orlando Sanford International Airport (SFB) President, Diane Crews, “The expansion of Via Airlines is yet another positive growth indicator for Orlando Sanford International Airport (SFB), an exciting response to the local demand that has kept SFB among the fastest growing airports in North America. The Central Florida community welcomes the additional opportunities to fly out of SFB, to both Mobile and Montgomery as new destinations.”

Founded in 1997, Via Airlines is a domestic airline offering daily scheduled flights across the U.S. Via Airlines was the first airline to be certified under the new FAA Safety Regulations, ensuring the highest level of safety in the aviation industry. The airline operates a fleet of 50-seat Embraer ERJ-145s and 30-seat EMB-120 providing its guests with cost-effective, convenient and comfortable travel.
